

Boys & Girls Club of Spokane County Youth of the Year - Heather Becker

Heather is a long time Boys & Girls Club of Spokane County member. She attended the Northtown town in her younger years and the Lisa Stiles-Gyllenhammer Club for the last 2 years.

As a teen member, Heather volunteers working with younger members groups. This fall she participated in the BGC Washington State Keystone Summit in Bellevue. On the trip staff enjoyed learning more about her and her plans for the future.

Heather is involved in activities both inside and outside of the club. She has exceptional peer to peer interactions and leadership. She works a part time job and still manages to maintain a 3.2 GPA. Her commitment, hard work and dedication will pay off in the years to come.

Heather receives a \$1,000 College Scholarship and will participate in the statewide Youth of the Year competition in March. Congratulations Heather Becker as Boys & Girls Club of Spokane County Youth of the Year!
